Green Tip:

The only safe shampoos as far as I know are Green Beaver, Bert's Bees and Live clean. They also make conditioners but a good cheap one that I always use is apple cider vinegar (about an ounce) mixed with water (about 4 or 5 ounces). It cleans out the shampoo and makes your hair shiny and easy to comb. Live Clean also makes a safe liquid hand soap.

Scripture Readers: We need readers each Sunday for Scripture. There is a Westminster Calendar on the board by the Secretary's office. Please choose a Sunday you'd like to read and put your name on that Sunday.

Found: a pair of glasses and a crocheted hat. Please see the table in the foyer.
